

No one understands firearms insurance better.

## Some insurers have no policy when it comes to firearms.

**They'll insure the house. We'll take care of the firearms.**

Your homeowner policy may be cause for alarm when it comes to firearms coverage. But then, nobody understands firearms insurance like the NRA. And it's affordable at \$166 for \$10,000 worth of firearms coverage, adjusted accordingly for lesser amounts, or all the way to \$1,000,000.

NRA-endorsed ArmsCare Plus Firearms Insurance specifically covers your valuable, and valued, firearms and accessories against loss and damage. You even get \$1,000 insurance coverage at no cost through your NRA membership. No need to register serial numbers, either. Visit [NRAEndorsedInsurance.com](http://NRAEndorsedInsurance.com) or call today.

## Cleanbore Universal Power Kit

Utilizing compressed air, the Small Arms Cleaning System (SACS) propels a polymer oiling wad down the bore and avoids both "bore scoring" and the use of harsh chemical-based solvents. The kit, packed in a storage pouch, includes the following: CO<sub>2</sub> Power Pump, 16-gram CO<sub>2</sub> cartridge, 1/4-oz. sample of "Firepower" FP-10 lubricant and a cleaning blow straw.
